The **Electrician LIVE Show** (Podcast/Videocast) has roots dating back to 2004 when Paul Abernathy, a nationally renowned electrical code expert and author began uploading personal recordings of electrical educational material to an online, publically available media platform then known as 1000 Mic's.

Since 2004, Mr. Abernathy has conducted over 4,200+ podcasts, videocasts, streaming events, seminars, and webinars on all things electrical code or electrical industry related.

Mr. Abernathy holds a Master Electrician license in multiple states for over 30 years and has owned multiple electrical contracting business. He has served as Electrical Engineer II for the City of Richmond, VA, Electrical Code Supervisor for the City of Alexandria, VA, Electrical Code Expert and Southern Field Representative for the National Electrical Manufacturers Association [NEMA] and serves as Manager of Codes and Standards for Encore Wire Corporation. Lastly, Mr. Abernathy serves as CEO & President of Electrical Code Academy, Inc., a leader in the electrical educational training industry.

Electrician LIVE is produced by Electrical Code Academy, Inc., a Texas Corporation, with over 10 years of experience publishing, articles, newsletters, educational material, podcasts and videos online.

Electrician LIVE is a NEW and FRESH approach to the delivery of live and relevant insight for the electrical industry with an enhanced focus on electricians and their educational needs.
